SPONSORSHIP FORM

Join us for one of the oldest mountain biking events on the KZN calendar - the 16th annual Giant's Castle MTB Challenge. This is one of South Africa's toughest one-day mountain biking events: a 75km route through Giant's Castle Game Reserve in the Central Drakensberg, and it's not for the fainthearted! Funds raised from the event will go towards The Wildlands Conservation Trust, which works with communities and conservation authorities to preserve our natural heritage for future generations. To find out more about the Wildlands Conservation Trust and their various conservation projects, please visit www.wildlands.co.za.
